

Hourly Packages

Every photo project is **UNIQUE**. We strive to efficiently meet our clients' goals and we've found that working in hourly packages helps us achieve this. And you can save on our hourly a la carte rate of \$85 by purchasing a package!

You receive time with PhotosFinished's knowledgeable staff with help on your printed photo organizing needs, digital photo organizing needs, creating gifts and so much more!

- We will make a recommendation on a package of hours we think would be a good fit for you
 - Or you can decide yourself based on your goals and budget.

We ask for 50% up-front on each of the packages with the remaining due upon completion.
